Description

Brought to the market by Atlas Estate Agents, this exceptional apartment on Regent Road offers an impressive blend of scale, sophistication and contemporary city living. Immaculately presented throughout and arranged over two floors, the property is the largest apartment on the block, occupying a highly desirable position in the heart of L3. Lift access, allocated underground parking and a 24/7 concierge service further enhance the exceptional lifestyle

on offer, while the added advantage of no onward chain makes this a particularly compelling opportunity.

One of the property's most striking features is its dual-aspect outlook, with far-reaching views across both Liverpool's cityscape and waterfront. At the heart of the home is a truly spectacular, expansive lounge, where soaring proportions and distinctive resin flooring create an unmistakable sense of luxury. An elegant electric fireplace forms a striking focal point, while the first-floor kitchen overlooks the reception space below, creating a dramatic open-plan setting that is ideal for both entertaining and everyday living.

The modern fitted kitchen is beautifully appointed with integrated appliances and a generous dining island, positioned to make the most of the impressive volume and flow of the main living space.

Three substantial bedrooms provide excellent accommodation, with two enjoying the added luxury of walk-in wardrobes and stylish en-suite shower rooms. A further beautifully finished bathroom features a bath with overhead shower, completing the accommodation.

With its exceptional proportions, status as the largest apartment within the block, considered layout and enviable city-centre setting, this is a sophisticated home that offers something truly distinctive. The combination of panoramic city and waterfront views, 24/7 concierge, underground parking and lift access places this apartment firmly in a league of its own. Regent Road offers the very best of Liverpool city-centre living within easy reach, while the no-onward-chain sale provides an added layer of convenience.
