Description

Atlas Estate Agents are delighted to bring to the market this exceptional four-bedroom semi-detached family home, ideally positioned on the ever popular Woolton Road and put close by to outstanding schools of Bluecoat and King David and short stroll to Allerton Road. Offering spacious accommodation across two floors, this beautifully presented property combines generous living space, modern conveniences and superb outdoor features, making it an

outstanding home for growing families.

Set back from the road behind a driveway and attractive front garden, the property enjoys an inviting approach with an ideal entrance porch leading into a bright and spacious hallway. From here, the well-designed layout unfolds, beginning with a generous front living room where a beautiful bay window fills the space with natural light, creating a warm and welcoming atmosphere.

To the rear of the property, a second reception room provides an excellent family living space with direct access to the garden, seamlessly connecting indoor and outdoor living. A separate dining room offers the perfect setting for family meals and entertaining, while the adjoining modern kitchen has been thoughtfully designed with both style and practicality in mind. A convenient ground floor WC completes the downstairs accommodation.

The spacious first-floor landing provides access to four generously proportioned double bedrooms, offering excellent flexibility for family living, guest accommodation or home working. The principal bedroom benefits from its own en-suite shower room, while the remaining bedrooms are served by a contemporary family bathroom, creating three bathrooms in total.

Outside, the impressive rear garden enjoys a high degree of privacy with no overlooking properties, providing a peaceful space to relax, entertain or enjoy time with family. A particularly notable feature is the substantial outbuilding, complete with a shower room and garage, offering fantastic potential as a home office, gym, studio, workshop or additional recreational space.

Located in a highly sought-after area, this superb home is within easy reach of excellent local schools, popular amenities, green spaces and transport links, making it an ideal choice for families seeking both space and convenience. Early viewing is highly recommended to fully appreciate everything this outstanding property has to offer.

The property has benefited from a number of improvements and upgrades, including triple glazing installed less than five years ago, a new roof approximately seven years ago, and Perfect Shutters fitted around two years ago. The kitchen and bathrooms were replaced approximately five years ago, while solar panels with battery storage have been installed and have been generating an income, with the added benefit of being able to charge two cars. The hall, landing, two back bedrooms and morning room have been professionally decorated, and brand-new carpets were fitted approximately six months ago to the hall, landing and back living room. Further improvements include landscaping with a block-paved rear patio and front path, replacement radiators, and an attic room that has been partially converted into a usable room. The property also benefits from a large outdoor room with full amenities provided which could be used for office space or multi-generational living.
